### Interest rates charged on Microfinance Loan Products

Interest rates charged for Microfinance Loan Products for the Quarter ended on September 30, 2024, were as follows:

| Sno. | Name of the Product | Minimum interest rate (%) | Maximum interest rate (%) | Average interest rate (%)* |
|------|---------------------|---------------------------|---------------------------|----------------------------|
| 1    | JLG-1 year          | 26                        | 27                        | 26.55                      |
| 2    | JLG-2 years         | 26                        | 27                        | 26.47                      |

All the interest rates are calculated on reducing balance basis, per annum.

\*(Average interest rate is the "Weighted average interest rate" computed by taking the sum of each loan's interest rate multiplied by the loan amount and then dividing this sum by the total loan amount disbursed)

Note: The rate of interest are in line with Pricing Policy of the Company approved by the Board of Directors at the Board Meeting held on September 04, 2024 and as per DoR.FIN.REC.95/03.10.038/2021-22 dated March 14, 2022 the Circular issued by Reserve Bank of India.
